The following is a list of the most commonly prescribed medications covered on the National Preferred Formulary prescription drug list (PDL). It represents an abbreviated version of the PDL that is at the core of your prescription plan. The PDL is not all-inclusive and does not guarantee coverage. In addition to using this PDL, you are encouraged to ask your physician to prescribe generic medications whenever appropriate.

PLEASE NOTE: Brand-name medications may move to nonformulary status if a generic equivalent version becomes available during the plan year. Not all the medications listed are covered by all prescription plans; check your benefit materials for the specific medications covered and the copays for your prescription plan. For specific questions about your coverage, please call the phone number printed on your prescription ID card.

THIS DOCUMENT LIST IS EFFECTIVE JANUARY 1, 2026, THROUGH DECEMBER 31, 2026. THIS LIST IS SUBJECT TO CHANGE. You can find more information at express-scripts.com.

The excluded medications shown below are not covered on the National Preferred Formulary prescription drug list (PDL). If you're currently using one of the excluded medications, please ask your physician to consider writing you a new prescription for one of the following preferred alternatives. Additional covered alternatives may be available. Costs for covered alternatives may vary. Log on to express-scripts.com/covered to compare medication prices. Not all the medications listed are covered by all prescription plans; check your benefit materials for the specific medications covered and the copays for your plan. For specific questions about your coverage, please call the number on your prescription ID card. If there is a clinical reason, identified by your physician, that requires you to continue taking your current medication, your physician can request a coverage review by visiting the Express Scripts online portal at esrx.com/PA.

Express Scripts Pharmacy Benefit Services manages your prescription plan for your employer, plan sponsor, health plan or benefit fund.

[^] Brand exclusions with generic equivalents – The generic equivalent of this brand-name medication is covered under your plan. FDA-approved generic medications meet strict standards and contain the same active ingredients as their corresponding brand-name medications, although they may have a different appearance. As new generic medications become available, their equivalent brand products may become excluded.

Continuation of Therapy applies through June 30, 2026; Excluded for all utilizers effective July 1, 2026.
